

2026 International Symposium on Advanced Manufacturing Technologies (ISAMT2026)

<https://www.isamt2026.com>

6-8 November 2026, Sun Yat-sen University (SYSU), Shenzhen, P.R. CHINA

Introduction

The 2nd International Symposium on Advanced Manufacturing Technology (ISAMT2026) will be held at Sun Yat-sen University Shenzhen Campus from 6-8 November 2026*. ISAMT2026 aims to bring together globe experts, scholars, and practitioners to exchange ideas and explore the latest advancements, challenges, and opportunities in the realm of advanced manufacturing. As we traverse an era of rapid technological evolution, the Symposium serves as a pivotal platform for exploring ground-breaking research and nurturing collaborations that drive the continuous progress of advanced manufacturing.

*ISAMT2026 will be held right after ISAAT2026 (3-5 November 2026) at Xiamen, China

Areas of main interest

The themes will focus on, but are not limited to, the following related areas:

- Ultra-precision machining and micro/nano manufacturing
- Multi-energy field assisted machining and processes
- AI-enabled machining and intelligent manufacturing
- Digital twin technology, modeling and simulation
- Additive manufacturing
- Composite material processing
- Green manufacturing
- Evaluation and characterization of machined surface integrity
- Online measurement and monitoring
- Measurement and assessment

Conference venue

- SYSU Academic Villa, Shenzhen Campus, Sun Yat-sen University, No. 66 Gongchang Road, Guangming District, Shenzhen, Guangdong, China.

Important date

- Abstract submission by **31 August 2026**
- Abstract acceptance confirmation by **15 September 2026**
